

Project::save

```
graph LR; A[Project::save] --> B[write_classfile_to_file]
```

A diagram showing a call from the `Project::save` method to the `write_classfile_to_file` method. The `Project::save` node is a gray rectangle on the left, and the `write_classfile_to_file` node is a white rectangle on the right. A dark blue arrow points from the right side of the gray box to the left side of the white box.
